

## MEMO: 32-20

**TO:** All Clubs  
**FROM:** Kat Pryer  
**DATE:** 30<sup>th</sup> June 2020  
**SUBJECT:** Coast League One and Metro Div 1- Update

---

Dear Colleagues,

Please be advised that due to the closure of Bond University campus and its facilities as well as the impact that COVID-19 has had on its international students, FGC allowed Bond University an extension to finalise their nomination and participation in the Coast League One competition.

Bond University have confirmed their position in Coast League One and Coast League One Reserves for the 2020 season and will be competing accordingly. Therefore, Coast League One format will now be a 7 team competition in a 14 round home and away season with each team having two byes.

Furthermore, the Metro Division 1 competition will now revert back to a 9 team competition (as Bond were included in this competition originally) in a 18 round home and away series with each team having two byes.

Please note that the promotion system and the finals will still be the same as previously stated in Coast League One and the finals series for the Metro Division 1 remains the same as previously indicated.
