Dear Colleagues,

We are pleased to announce the appointment of Keith Garland as a Coaching Mentor for the 2020 season.

A current FFA B Licensed accredited coach, Keith brings a wealth of experience into the role and will assist our clubs and players to improve their skills on the field. Having worked on the Gold Coast for over 20 years as well as experience in the New Zealand National Team set up, we are confident that the value Keith brings to our game is second to none.

Your club will be able to request Keith's services within your club at no cost to you. He is there to provide assistance on a number of different avenues such as coaching coaches, running team based training sessions, running an open club training session for coaches etc.

The idea behind the coaching mentor is to help your club address any areas of need on the field that require a specialized approach.

Football Gold Coast will be in contact with you within the next few days to determine what aspects you would like to utilize Keith for and book in sessions accordingly.

Should you require any information up until that point please contact the office.
