SUBJECT: Match Forfeits

Dear Colleagues

As we are going into the third week of the Junior/Miniroos season we have had numerous amounts of forfeits and team withdrawals.

We understand that it has been a difficult time for everyone returning after the suspension of football and clubs have done their best to put teams on the field. Due to that, we haven't issued any fines for the first two rounds of competition.

As of tomorrow, we will be issuing fines for forfeits/removal of teams and input of team sheets/scores in accordance with our CMC rules.

We hope you can appreciate that forfeits and withdrawals affect numerous teams and clubs and we are trying to have the least impact on all of the above.
