

## MEMO: 58 - 20

**TO:** All Clubs  
**FROM:** Alan Marquez  
**DATE:** 27<sup>th</sup> July 2020  
**SUBJECT:** Field Closure Updates

---

Dear Colleagues,

With the recent wet weather forcing field closures around the Gold Coast, we would like to take this opportunity to advise clubs of the procedures behind field closures.

If your field is closed, your first point of contact is a phone call to Football Gold Coast (0434 425 775 or 0434 425 774) advising of the closure. We have found that some clubs post directly to their social media without advising us prior to posting.

Secondly, after a club closes the field, it is their responsibility to notify any opposition clubs playing at their venue by PHONE CALL. Please do not simply rely on a text message or email to notify the opposition.

Should you require any more information please contact the office.
