SUBJECT: Border Update

Dear Colleagues,

With the recent announcement from Queensland Premier Anastacia Palaszczuk, we would like to re-iterate to our clubs and members that the borders at this point in time remain OPEN.

The announcement highlighted that Sydney has been declared a hotspot and not the area that our Northern NSW member clubs are situated.

Therefore, games scheduled for this weekend in NSW will go ahead as originally scheduled. We would like to take this opportunity to remind our clubs and members that they should ensure that they have all the relevant passes to come into QLD.

We cannot stress enough the importance of continuing to social distance at our fixtures as well as ensure you register your attendance at our fields via the QR Code or paper method at the grounds. We have been notified that the State Government that random spot checks will be happening around the State to ensure that these practices are met.

Football Gold Coast is in constant communication with Football Queensland and the State Government regarding the status of the borders and once any more information is released to us we will notify our clubs and members immediately.

Should you require more information please contact the office.
