**TO:** All Clubs  
**FROM:** Alan Marquez  
**DATE:** 1<sup>st</sup> September  
**SUBJECT:** ID Lanyards

---

Dear Colleagues,

Please be advised that it has been brought to our attention that ID Lanyards are being overlooked by coaches and officials throughout the season.

FGC Referees have been informed that as of this week they will be required to enforce the rules of not allowing officials without a lanyard to enter the technical area. Although the officials should already have their lanyards, we would like to remind clubs to begin enforcing that they wear them when involved in a match.

Clubs are reminded that should they require lanyards for any match officials they are to immediately notify the office in order to print those off to ensure that compliance is met for this weekend's games.

Should you require any more information please contact the office directly.
