DATE: 1st September
SUBJECT: Half Time Procedure

Dear Colleagues,

Please inform your coaches that there will be no interaction between themselves and the referees at halftime.

This will be in effect from tomorrow night's Metro fixtures on Wednesday the 2nd of September, 2020.

Over the past few weeks concerns have been raised that when a coach approaches a referee in some cases that the other coach doesn't get the same opportunity. To alleviate this further, neither coach will be permitted to interact with the referee at halftime.

Referees have been instructed of the following procedure and will adhere to the above.
