

MEMO: 09-21

TO: All Clubs
FROM: Mark Majdandzic
DATE: 19th February
SUBJECT: Facebook Page Issues

Dear Colleagues,

As you may be aware some of our clubs as well as Football Gold Coast itself have had their Facebook pages restricted with the new changes implemented yesterday.

Although some of you may have already gone through Facebook support to get the process started, Football Australia today has released a form for clubs to submit as they are working with Facebook in assisting the re-establishment of these pages.

If your page has been affected, please fill out the following form and submit; bit.ly/3she0an

I suggest that you all fill this form out even if you have submitted a request through to Facebook support.

Should you require anymore information please contact the office
