

MEMO: 22-21

TO: All Clubs
FROM: Andrew Parkes – Chairman FGC
DATE: 23rd March 2021
SUBJECT: Update Recommendations Paper

Dear Colleagues,

Further to Memo 19-21 which was sent to all clubs on Friday 19th March, I wish to inform you that the board of FGC has sought a meeting with the CEO and Chairman of FQ to seek clarity and discuss the Recommendations paper released by FQ.

FQ has accepted our request and a meeting will take place on Monday 29th March at 7.30pm between the board of FGC and the CEO and board members of FQ.

I wish to confirm that this meeting is purely designed as a fact finding exercise and a part of our due diligence and I reaffirm that no decision or agreement will be entered into at this meeting and nothing will be considered or committed to without the consultation and endorsement of our clubs.

Once this meeting has taken place and we are satisfied with the answers provided by FQ, it is our intention to then call a meeting of all our clubs at which time we will outline our findings and recommendations for the future.

In preparation for our upcoming meeting with FQ, I once again urge you all to please study the document and please provide us with any questions or concerns you may have and I will submit these to our Board as well as to FQ for comment and answering.

Can you please provide all question via email to gm@footballgc.com.au on or before 1.00pm Monday 29th March.

If you haven't seen or received the Recommendations Paper you can download it at the below link.
