DATE: 13th April 2021
SUBJECT: Junior Draws Changed

Dear Colleagues,

Please be advised that the Junior Draws have had a few more updates to them over night. Please ensure all your teams continue to recheck the draw.

U9 wallabies (team withdrawal)

U13 JPL North and South have now been combined to U13 JPL (team withdrawal)

The U13 JPL north and south divisions will now be a 14-team comp (U13 JPL). All teams will play each other once and then at the completion of this FGC will split the competition into 2 divisions and play 1 more round against the teams in your division.

This redraw means that games have changed in the system. There will also be impacts made to your U13 JPL team rosters in myfgc so can all clubs who have a U13 JPL team could please recheck your myfgc team rosters as this may have been reset in the new competition configuration.
