

MEMO: 38-21

TO: All Clubs
FROM: Kat Pye
DATE: 20th April 2021
SUBJECT: MyFGC Player Photo

Dear Colleagues,

The MyFGC player photo issue has been resolved. Club administrators and Coaches are now able to upload photos to players. I will keep the coach's access to upload photos until Tuesday 27th April 2021. After this date only club administrators will have access to this function. Please do not wait until Friday afternoon to add all your player photos.

All players will be required to have a **CURRENT** photo to be added to a team sheet effective immediately.

Thankyou all for your patience and understanding as we worked through this technical issue.
