SUBJECT: Junior/Mini Roos - Regrading

Dear Colleagues,

Football Gold Coast will be revising all junior competition divisions after games this weekend and regrading teams if FGC deems necessary.

As scores are not kept in mini roos divisions if your club has a team that needs regrading (joeys, wallabies, kangaroos) please email me at admin@footballgc.com.au by Midday Monday 10th May with your team details and which competition they wish to move to so that regrading can occur.

Please note: FGC has not scheduled any games for the weekend of 16th May so that this regrading can occur (exception U13JPL & U18 wet weather).

Once grading and draws are complete FGC will notify all clubs.
