SUBJECT: Junior Draws

Dear Colleagues,

The junior draws are still in progress at this stage. Football Gold Coast is looking to have the first few rounds completed by Midday Tuesday. Once this has been done Football Gold Coast will notify the clubs. The first few rounds of Friday night fixtures have already been released.

Please note: If a competition age team has been regraded to a new division you will need to "Copy" the team in MyFGC into the new team roster (this can only be done by a MyFGC club administrator). Once you have copied the team, please remove all coaching/manager roles from old team roster so that your coaches only see new and current fixtures for their new division. This will not be able to be done until Midday Tuesday.
