**SUBJECT:** Senior Female Structure

---

Dear Colleagues,

Football Gold Coast has been reviewing the Senior Female Structure currently in place. Football Gold Coast wish to have the Women's Premier League on the Gold Coast however in order for this to be achievable and for us to grow and strengthen our competitions a few changes have been made to facilitate this in future.

The below timeline will show the changes being made and the timeframe in which it will occur.

## **2021 Womens Div 1 – Currently a 4 Team Comp**

- At the end of the 2021 season the Top 2 from Div 2 North and Div 2 South will go to div 1 – Automatic Promotion (this will be added to FGC CMC Rules)
- 2022 Womens Div 1 – 8 team competition

## **2022 -**

- Everyone will play each other once in the nominated divisions for all women's metro competitions and then Football Gold Coast will create divisions for these teams to participate in based on results (no North and South division)
- You will then play all teams in your new competition twice
- Promotion will be in place in 2022 meaning the top 2 from each division will be promoted
- 2023 Womens Div 1 – 10 team competition

## **2023**

- Top 2 from Div 2 will go to Div 1 (Automatic Promotion)
- Top 2 from Div 3 will go to Div 2 (Automatic Promotion)
- Top 2 from Div 4 will go to Div 3 (Automatic Promotion)

## **2024 Womens Premier League –**

- Introduce Womens Premier League (1 Team Entry)
- Division 1 (Promotion/Relegation)
- Division 2 (Promotion/Relegation)
- Division 3 (Promotion/Relegation)
