

## MEMO: 61 - 21

**TO:** All Clubs  
**FROM:** Andrew Parkes  
**DATE:** 2nd June  
**SUBJECT:** Meeting with FQ CEO

---

Dear Club Executives,

I would like to give you a brief update as to where we are at with the whole reform process.

As promised at our club meeting held on Monday 24<sup>th</sup> May I can confirm that we sought and facilitated a meeting with the FQ CEO Robert Cavallucci on Wednesday 26<sup>th</sup> May.

The meeting was attended by fellow board member Ryan Alexiou , our General Manager Damien Bresic and myself where we presented our recommendations, questions and proposed amendments to the reform paper.

I can honestly say that the meeting went well and we were offered time to outline our concerns and Rob was happy to listen and take things on board and offered comments on all matters , some positive and some not so. He didn't dismiss any request nor did he commit to anything at the meeting however, he requested that we give him a little time to be able to properly review all our issues and questions and he promised that he will provide us with a written response .

He did make us aware that he had a few meetings with FA and full day board meeting on the Friday and coupled with additional Zone visits has requested we allow him a little time to get back to us.

I have delayed communicating with our clubs earlier as I had hoped we would have received his response by now but as this may still be a few days away I felt it imperative that we inform you that we have met with FQ , have voiced our clubs concerns and are now awaiting his response.

Once we receive Roberts response we will forward to all clubs for your comments and consideration before deciding what our next course of action will be.

In the meantime if you have any questions or would like to discuss the meeting in greater detail please feel free to call either Damien , Ryan or myself.

Kind Regards

Andrew Parkes  
Chairman
